The Upper Largo Hotel & Restaurant

*The Upper Largo Hotel & Restaurant is pleased to offer a variety of gluten free options on our food menu.

We are not a gluten-free restaurant and cannot ensure that cross contamination will never occur.

We have processes in place to minimize that happening but there is a great deal of gluten in the air and on our work surfaces.

If you are a Celiac and/or highly sensitive please advise the person taking your order and know that we will do our best, but cannot guarantee your order will not touch gluten somewhere in the process.
